

To the Staff and Residents at The Bristol,

Time is going by so quickly. We had so many thank you's to write and here I am still needing to say thank you.

The Memorial Service you put together for our Dad was so sincere and thoughtful and we appreciated it so very much.

We miss him and always will. Knowing how much he touched so many of you will always be a source of comfort and pride to us.

Thank you for being such an important part of his life, and now a part of ours.

With love and gratitude
