

Dear Marina -

I can't thank you & your staff enough for the Valentine's program. I say this even if Gerry & I were not one of the couples renewing our vows. It was such a memorable affair. Unlike the original, 40 years ago, this time was stress free and more enjoyable. You'll understand when

your date comes around. You and your staff left nothing to want - the flowers, rings, music, and, of course the garters.

I'm sure everyone, even the spectators, had a great time.

Thanks for always organizing such thoughtful events.

Sincerely,
Mary Price
